ALAN RAMSEY HONOURED AT OLD BOYS' DINNER

From Bermuda, Victoria, Winnipeg, Montreal, Rochester and Sioux Lookout, Old Boys from far and near converged on the School in near record numbers Saturday, November 6, for the Annual Old Boys' Dinner.

With appetites whetted by the usual pre-dinner "spiritual" offerings, 173 sat down to an excellent repast of shrimp cocktail, French onion soup, Chicken Jardiniere and Baked Alaska, all prepared and served under the capable supervision of the genial steward, Norman Stewart. Guests included representatives from the Old Boys' Associations of the other Little Big Four schools, John Blaikie from T.C.S., Gordon Waldie from Upper Canada, and John Murray from Ridley; the Chairman of the Board of Governors, Jack Macdonald; the Headmaster, Bob Coulter, and masters on the staff of the School. Graduating years represented ranged from 1908 to 1965, 1956 having the best turnout with twelve members on hand for the occasion.

The Annual Meeting was conducted with due despatch and the new Council elected appears elsewhere in this issue. Introduced by Charlie King, "Red" Storey in his positively inimitable style kept everyone in stitches with a succession of hilarious anecdotes about his years in the football and hockey world.

A highlight of the evening was the unanimous decision of the Association to donate \$500 to the St. Andrew's College Foundation for a Head Table Chair in honour of Alan R. Ramsey. Al, as he is known to at least two generations of Old Boys', attended the School as a student from 1902 to 1908, and then was twice a member of the teaching staff from 1920 to 1926 and again from 1947 to 1960. In addition, he was President of the Old Boys' Association in 1934-35 and Secretary from 1948 until his retirement in 1960. He was accorded a standing ovation by everyone present.

Proceedings were capped by a tape recording of the late Mr. Thomas Barnston Daubney Tudball telling his famous story of "The Bears". "Tuddy", as 42 years of Andreans know, was a master at the School from 1908 to 1950, and hearing his voice brought back many nostalgic memories.

'BEARS' ON TAPE

Through the courtesy of Al Shaver (44-47) anyone with a tape recorder can obtain a copy of the late Mr. Tudball's story of "The Bears". All you need to do is send a blank tape (about 4 minutes duration) to him at Radio Station CKWW, 176 University Street West, Windsor, Ontario, and he will record it and return the tape to you. It makes a wonderful bedtime story for children.

SCHOOL ATHLETICS

FOOTBALL — A converted touch-down was the slim margin that separated the First Team from the Little Big Four championship this year. Much credit goes to coaches Gary West and Grant Edwards for moulding a team worthy of St. Andrew's traditions out of a squad that was certainly a question mark at the beginning of the season. While every member contributed his share of effort, we should mention that 17-year-old Jim McKeen proved to be a real find as an all-around quarterback, Dave Mutch as a hard-driving halfback despite his light weight of 165 pounds was the most consistent ground gainer, while Don Smith and Rich Weston were towers of strength on defence.

After defeating T.C.S. quite handily 33 - 12 in their only home game, the team took on Ridley in St. Catharines. Played in high winds with rain and snow, the teams were tied 7-7 with four minutes remaining when our boys broke loose for two touchdowns to win the game 19-7. Going into the final game as underdogs against Upper Canada, the team put up a courageous fight after being down 15-1 at half time, only to lose by the close score of 15-9. Upper Canada deserves congratulations for winning the title for the third successive year.

The Seconds and Thirds had difficulty getting into stride this year, but the Under 15 teams had a fair season. The 'A's with Bill Skinner as coach, won 4 and lost 3, and uncovered a promising halfback in Paul Kitchen who scored 15 touchdowns for his team over the season.

SOCCER — The other major sport in the fall term, soccer, is attracting increasing interest as evidenced by the fact that St. Andrew's fielded 5 teams in 1965. The Firsts won 3 games, lost 4 and drew 3; the Seconds won 4 and lost 3. Coached by Mr. David Timms, the Under 15 teams had a very active season and did exceptionally well, winning 18, losing 6 and drawing 3 games out of 27 played. The Under 15 A's won the Little Big Four championship. In addition to the School teams, many boys participated in the House League, won this year by "B" team with Dave Grant as Captain.

FENCING

Just as we are going to press, Mr. Tibor Bozzay, master in charge of fencing, reports that the School team has done well at the Ontario Fencing Individual Championships held at Toronto. Ricardo Schmeichler of Venezuela won second place (silver pin) and 4 of the 6 team members reached the semi-final round out of the no-age-limit field of 24 participants from all over Ontario.

OLD BOYS CRESTS AND TIES

Perhaps some of you were not aware that a crest suitable for blazer breast pockets has been specially designed for St. Andrew's Old Boys. Beautifully embroidered in blue, silver, red and gold, the crest is obtainable from the School at a price of \$7.50 plus 3% sales tax. Available, too, are Old Boys' ties with thin red and white stripes on navy blue background, priced at \$2.50 plus sales tax. If you wish either of these items, just drop a line to the Old Boys' Association office and enclose a cheque payable to St. Andrew's College.

A SOCIAL BEAR AT ST. ANDREW'S?

"ANDY", the giant white polar bear mascot of the School, was guest of honour at the Football Dance on November 5th, in a cage in the middle of the party. No less than five miles of School colours hung in the form of a canopy over the dance floor in the Great Hall. The Paupers from Toronto supplied the A Go-Go music for the crowd doing the frug, watusi, the monkey, etc. Receiving the guests were the Headmaster and Mrs. Coulter, Captain Jim McKeen and Pamela Storms, Co-Captain Don Smith and Karen Dedlow, and Jim McClocklin with Barbara Pattison. Among the guests were the Masters and wives, John Fitzgerald, Captain of U.C.C. 1st Football Team with Marion Smith, Head Prefect of Havergal College, and Jim Binch TCS Captain with Ann Richards of Havergal. After the "Good Night Sweetheart's" and "Auld Lang Syne's", the dance finished around 1 a.m.

Jim McClocklin, Chairman of the Social Committee and members of the decorating committee are to be congratulated for "one of the best dances held at the School".

CAROL SERVICES POPULAR AS EVER

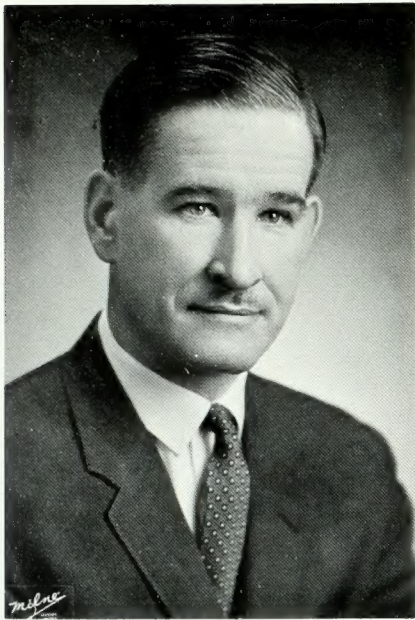

The Thirty-First Annual Christmas Carol Services were held in the Chapel at St. Andrew's College, Aurora, on Saturday and Sunday evenings, Dec. 11 and 12. Attended by parents, Old Boys and friends of the School, the Chapel was packed for every service. Under the direction of Gerald F. Reding, Mus. Bac., A.R.C.T., the entire student body participated. The hour-long program included nineteen carols and featured the School's Treble Choir and Male Chorus, with organ and instrumental accompaniment.

In addition to the more familiar numbers, some interesting variations included a solo "I Wonder as I Wander" by Bobby Richards, Bermuda, accompanied on the guitar by Gilbert McEachren of Toronto; the "Huron Carol" with Don MacKay of Lively, Ontario, as soloist; the delightful "Friendly Beasts" with J. T. Phair, King City, Don MacKay and Philip Taylor, Kitchener, taking solo parts; and "Carol of the Questioning Child" by the Trebles; and "We Three Kings" by a trio of Peter Love, King City, Reed Osborne and Jamie Crookston, Toronto.

Particularly effective were "March of the Kings" and "Carol of the Drum" by the whole group. Max Marechaux of Sudbury showed great talent at the organ and, with Mr. Reding, must be given credit for a truly fine performance.

NEW MEMBERS OF BOARD OF GOVERNORS

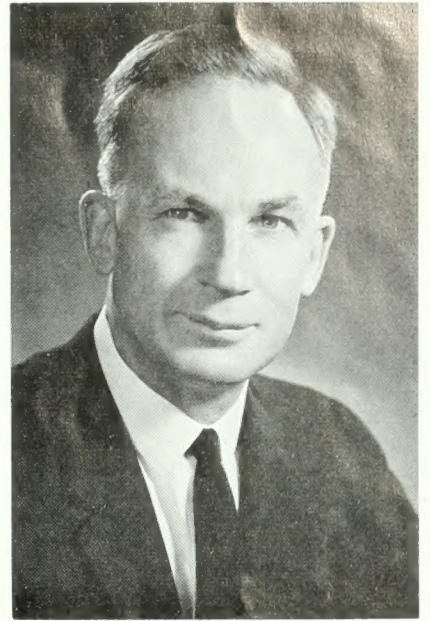

The ANDREAN welcomes three new members appointed to the Board of Governors of the School.

J. C. Maynard, B.A., F.S.A., is a Senior Actuary with the Canada Life Assurance Company in Toronto. A scholarship student at the University of Toronto and a member of the senior hockey team, Mr. Maynard was a radar expert in the Navy during the War. He also has a son, John, at the School.

D. Whiting Lathrop, P. Eng., B.A. Sc., is also a U. of T. graduate. His home is in Fonthill, Ontario, and he is Vice President of Beamer Lathrop Ltd. in Welland, engineering specialists in industrial installations. Mr Lathrop has two sons who are graduates of St. Andrew's and a third presently attending the School.

J. W. Bryers, B. Com., is a graduate of the University of Toronto in 1934, and is Vice President, Sales, of the McBee Co. Ltd. in Toronto. Mr. Bryers was well known as an end on the football team at Varsity and later with the Argonauts. After service in World War II as an intelligence officer with the Canadian Army, he has had a distinguished career in the business systems field.

LADIES' GUILD TO HOLD "JUNE BALL"

At the fall meeting held at the School on October 27th, the Ladies' Guild elected officers for the 1965-66 year as follows:

Honourary President — Mrs. W. A. Thorburn.

Honourary Members — Mrs. J. Robert Coulter, Mrs. K. H. Ives.
Past President — Mrs. J. F. Barrett.

President — Mrs. Mary Macdonald.
Recording Secretary — Mrs. J. J. D. Brunke.

Corresponding Secretary & Vice President — Mrs. J. G. Housser.

Assistant Corresponding Secretary — Mrs. E. Ruse.

Treasurer — Mrs. C. H. Heintzman.

Assistant Treasurer — Mrs. J. C. Maynard.

Social Convenors — Mrs. J. C. Mitchell, Mrs. J. A. Lawrason.

Publicity Convenor — Mrs. J. K. Shields.

Guild Project Convenor — Mrs. G. H. Love.

The members voted to hold a "June Ball" as the major project for this year in aid of the St. Andrew's College Foundation. A Committee, under the Chairmanship of Mrs. Gage Love, is in charge of arrangements. To be held at the School on Friday evening, June 24, 1966, this is an ambitious and very worthy undertaking which the Guild confidently expects will receive enthusiastic support. At this time of the year the magnificent grounds of the School are most beautiful, and the Andrean understands that the ladies have ordered a full moon for the occasion, so the setting should be perfect. More details will be forthcoming later.

MRS. CLARA McEACHREN

The School is deeply saddened and has suffered a great loss by the death of Mrs. Clara Flavelle McEachren in Toronto on January 15, 1966. One of the founders of the Ladies' Guild more than thirty years ago, Mrs. McEachren remained a devoted and active member up to the time of her death, despite failing health. A daughter of Sir Joseph Flavelle, she maintained the tradition of keen interest in St. Andrew's established by her father, and she rarely missed an opportunity to show her loyalty and generous support for all phases of activity at the School. Mrs. McEachren will be warmly remembered by all those associated with St. Andrew's College. Our sincere sympathy is offered to her daughter, Mrs. J. F. Barrett, Past President of the Ladies' Guild; to her son, Frank F. McEachren, a member of the Board of Governors and an Old Boy of the School; and their families.

The Guild also announces its intention to turn over proceeds of Life Memberships received this year to the Foundation for scholarship purposes.

The next meeting will be held on February 23 at the home of Mrs. Frank McEachren, at which Dr. Wilfred Wees will be speaking on the subject "Motivation of the Adolescent".

ST. ANDREW'S DAY DINNER

St. Andrew's Day, the occasion on which all Scots honour their patron saint, was observed in traditional fashion on Monday, November 29, by the School. Some say it should be "MacPherson Day" as this is the time when the genial "Laird of Fourth House" and Assistant Headmaster Lloyd MacPherson is in his glory! Proceedings started with the steaming "Haggis" being borne aloft around the Dining Hall by two stalwart students in cadet uniform to the wail of the pipes. Then comes Mr. MacPherson's fearsome address in incomprehensible Gaelic (when asked for a translation, he says "there simply isn't one"), climaxed by the piercing of the inanimate haggis by his "sgian dhu" (dagger to non Scots). Finally, the succulent (?) haggis is carefully rationed to all present. There follows one of the kitchen staff's better efforts in the form of a steak dinner.

This popular event at the School is much enjoyed by the boys, not only for the festivities, but because it is the occasion for the announcement of colour awards for the fall term.

Pipe Sgt. Max Marechaux and Mr. Lloyd MacPherson savour the partly demolished haggis.
